Key Instant Recall Facts

Year 3   Autumn Term 2

KIRF: I know all number bonds to 100- **any number.**

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly

The children should know number bonds to 100. Some of these many include:

60 + 40 = 100	37 + 63 = 100
40 + 60 = 100	63 + 37 = 100
100 – 40 = 60	100 – 63 = 37
100 – 60 = 40	100 – 37 = 63
75 + 25 = 100	48 + 52 = 100
25 + 75 = 100	52 + 48 = 100
100- 25 = 75	100 – 48 = 52
100 – 75 = 25	100 – 52 = 48

Questions to ask at home

What do we need to add to 70 to make 100?

If I have 36, how many more do I need to get to 100?

What is the difference between 100 and 74?

What does this KIRF look like at Cranford School?

Concrete   **Pictorial**   **Abstract**
