Key Instant Recall Facts

Year 4   Autumn 2

KIRF: I know all number bonds to 1000- **any number.**

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly

The children should know number bonds to 1000. Some of these many include:

600 + 400 = 1000	370 + 630 = 1000
400 + 600 = 1000	630 + 370 = 1000
1000 – 400 = 600	1000 – 630 = 370
1000 – 600 = 400	1000 – 370 = 630
750 + 250 = 1000	480 + 520 = 1000
250 + 750 = 1000	520 + 480 = 1000
1000- 250 = 750	1000 – 480 = 520
1000 – 750 = 250	1000 – 520 = 480

Key Vocabulary:

- 250 add 750 equals 1000
- 550 plus 450 is the same as 1000
- 1000 take away 60 equals 940
- 1000 subtract 370 makes 630
- The difference between 910 and 1000 is 90
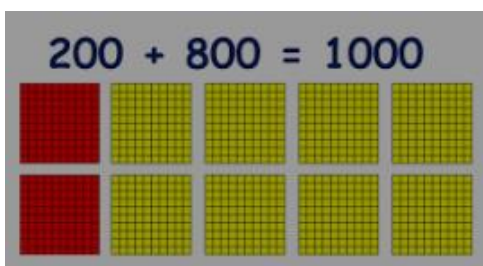

Questions to ask at home

What do we need to add to 700 to make 1000?

If I have 360, how many more do I need to get to 1000?

What is the difference between 1000 and 740?

What does this KIRF look like at Cranford School?

Concrete	Pictorial	Abstract
200 + 800 = 1000		490 + _____ = 1000
		1000 - _____ = 720
